Panel 3

The Impacts to Public Health

Wednesday, February 24, 3:00 – 4:45pm
RSVP: bit.ly/3quE9Sz

What are the public health implications of freight? How does long term exposure to air pollution impact our communities?

Moderated by Olga Bautista,
Southeast Environmental Task Force

Panel
Serap Erdal, Associate Professor, UIC
Meera Sotor, Alliance of Nurses for Healthy Environments
Susan Mudd, Environmental Law and Policy Center
Meleah Geertsma, National Resources Defense Council
Kelly Nichols, Respiratory Health Association

Cosponsored by the Chicago Environmental Justice Network and the Transportation Equity Network
