I hereby grant permission for property inspectors from the Village of Wilmette to enter my property for the purpose of verifying conditions for downspout discharge.

Owner Signature \_\_\_\_\_ Date \_\_\_\_\_

### OFFICE USE ONLY

The above referenced property currently has one or more downspouts connected to the Village of Wilmette combined sewer system which cannot be disconnected from the Village sewer system to have the runoff re-directed on to the owner's property without directing the runoff onto a neighbor's property or on to a paved area where ice would pose a hazard to pedestrians.

The Village of Wilmette will waive the requirement to disconnect downspouts from the Village combined sewer system at the following locations:
